If YES, please use this space:

I emailed Mrs. Brock with questions regarding the event and below are my questions and her responses:

What is the plan/timeline necessary to request the streets to be closed for the requested 12 hours each day for two consecutive days?

The plan/timeline necessary:

Sat. 28th & Sun. 29th

8am set up for party

12- 6pm have party

8am all cleaned up and off the street

What will be placed in the street during the requested times for the street to be closed?

Nothing is planned to be placed in streets. We would like it closed off so that adults and children can play games, ball or ride their bike/scooter.

Since the request is 8 am – 8 pm, will the street be completely cleared for the road to be opened from 8 pm – 8 am?

We will set up and break down during those time and not need the street from 8 pm Saturday to 8am Sunday. And after 8 pm on Sunday.

~~Since three driveways are connected on that block on 10th Street, please print the Street Closing Approval for Special Event (Page 7) and have the property owners sign this form giving their permission to have the street blocked for those time periods requested.~~

Good to know, I will get signature of neighbors.

We can narrow the window of time but if we could have that window that is what we want. If that is too odd, too much to ask or going to keep us from getting the permission, I can change it.
