

**Cullman Utilities Board of the City of Cullman**

**ANNUAL FISHING PERMIT**

**Duck River Reservoir**

The undersigned, subject to the restrictions set forth herein, is permitted to fish in the waters of Duck River Reservoir during the permit year specified below.

1. This permit allows the permittee to cross the land of the permitter, the Cullman Utilities Board, at designated access points for the sole purpose of entering the public waters of the reservoir to fish, subject to the following limits:
  - Bass: All bass, including largemouth and spotted bass, must be released.
  - Crappie: A maximum of 30 crappie may be kept, each measuring nine (9) inches or greater in length.
  - Bream: A maximum of 20 bream may be kept; no size limit applies.
  - Sauger (Southern Walleye): All must be released immediately.
2. By signing this permit, the permittee authorizes the Reservoir Manager, game warden, or any law enforcement officer to inspect any cooler, live well, stringer, or other container.
3. No alcohol is permitted.
4. Seining is not allowed.
5. Boat motor size is limited to twenty-five (25) horsepower or less.
6. This permit is valid through December 31, 2026, unless revoked, and must be carried on the permittee's person at all times while on the premises.
7. In addition to the rules set forth above, the permittee must comply with all applicable state laws, rules, and regulations.
8. Violation of any rule or condition of this permit shall result in revocation by the enforcement officers referenced in Item 2. Upon revocation, the permittee shall be deemed a trespasser, must immediately exit the premises, and shall be ineligible for future permits.

The undersigned agrees to the above rules and limitations and acknowledges that this permit is revocable for any violation of its terms or the laws of the State of Alabama. The permittee further acknowledges that violations may subject them to penalties as provided by Alabama law.
