Equipment Operator – Water/Wastewater (for future openings)

Description

[HOME](#) | [EMPLOYMENT](#)

We are not actively seeking applications for this position at this time. However, applications received will be kept on file in the event of future openings. If you have not been contacted within twelve (12) months of the date you submitted your application, you will need to submit an updated application at that time.

This is a semi-skilled and frequently minor supervisory work in the operation of trucks and related automotive equipment, including attached mechanical equipment, as a major portion of work assignments.

Responsibilities

Employees in this class are responsible for the skilled and safe operation of automotive equipment and for the prompt execution of assignments according to established routine or special instructions received from a supervisor. Employees may also perform manual labor, and the duties frequently include responsibility for supervising employees assigned to trucks as loaders or helpers. Where equipment operation is less difficult or strenuous, there is added responsibility for performance of supervisory or related semi-skilled tasks. Work is reviewed through personal inspection and through observation of compliance with established work or route schedules.

MAJOR JOB TASKS: (All duties listed may not be found in each position. Also, this list does not necessarily include all tasks which may be assigned to positions in this class.)

- Perform rough carpentry work such as building concrete forms, wooden fences, shipping crates, and other work in connection with the construction and maintenance of water and sewer utilities, sidewalks, curbs, gutters, bridges, and railings.
- Perform such tasks as finishing concrete and setting forms for curbs and gutters.
- Perform rough sign and other brush and spray painting work not involving difficult or original lettering; repair, fabricate, and erect metal and wooden street signs; lay out and paint center lines and lane lines in streets, crosswalks, and parking places.
- Operate light truck and other automotive and related equipment.
- Operate mechanical saws, cut trees and branches, observe precautions against personal injury or property damage.
- Perform miscellaneous mechanical and maintenance repair tasks requiring familiarity with basic trade practices in carpentry, painting, masonry, plumbing, or similar operations.
- Drive trucks hauling dirt, sand, gravel, lumber, and other materials to or from places of work.
