

Cullman Utilities Board of the City of Cullman

ANNUAL FISHING PERMIT

Duck River Reservoir

The undersigned, pursuant to the restrictions set out herein, shall be permitted to fish in the waters of Duck River Reservoir during the permit year set out herein.

1. This permit allows holder to cross at designated points over the land of the permitter (Cullman Utilities Board) and enter the public waters of the reservoir for the sole purpose of fishing under the limits set out herein:

Bass: All Bass must be released, whether large mouth or spotted.

Crappie: A maximum of 30 Crappie may be kept, nine inches or larger in length.

Bream: A maximum 20 Bream may be kept, no size limit.

Southern Walley: All must be released immediately

2. Permittee, by signing the permit, authorizes the Reservoir Manager, game warden or any law enforcement officer to examine any cooler, fish well, stringer or other container.

3. No alcohol permitted.

4. Permit does not allow seining.

5. The boat motor size must be 25 hp or less.

6. Permit valid till December 31, 2022, unless revoked and must be on permittee's person at all times while on premises.

7. Permittee must, in addition to rules set out above, comply with all state laws, rules and regulations.

8. Violation of any rules set out in this permit shall result in the revoking of said permit by the enforcement officers set out in 2 above. Permittee shall be designated a trespasser, shall exit premises and not eligible for further permits.

The undersigned hereby agrees to the above rules and limitations, and acknowledges this permit is revocable for any violation of this permit or laws of the State of Alabama and permittee is subject to penalties for violations as set out by the laws of the State of Alabama.

Permittee
