**Kaleb Phillips is a special little boy. He was born with a medical condition that led to him having both his feet amputated. This was a traumatic experience for him and his family. But, this diagnosis and treatment does not define him. Through surgery, prosthesis, and physical therapy, we have watched Kaleb achieve great victories. In the "Kaleb's 5k" run, we want this to be an annual event that encourages and pushes those with limb loss, limb differences, or any other physical or mental disability to feel important and cared for. While we want to use the proceeds from this event to help with Kaleb's medical expenses; we also want to use this to bless another family or individual that share this condition. We understand this is not an easy road, and we would love to help another family see that they are not alone.**
